

## About Journeys of Discovery with Archie!

**Hello, my name is David Rosenthal.** I am the C.O.O.L.J. (Chief Operating Officer of Love and Joy!) of Dolphin Heart World/Dolphinity. I have been by Linda's side throughout her remarkable dolphin journey since the day we met in 1996, and I assumed an active role in this work in 2003. It is a privilege and a joy for me to share the profound messages and healing gifts that come through my beloved friend and dolphin spirit companion, Archie, in these personal channeling sessions. Thank you for your interest in this unique service we provide at Dolphin Heart World. I look forward to sharing Archie's gifts with you soon!

*Would you like to receive a **higher perspective** to some of your biggest questions or challenges ... along with **healing transmissions** that will support you in making significant shifts in your life?*

If you've read Linda's book, *[Dolphin Love ... From Sea to Land](#)*, you've already met Archie, the wise and benevolent being I channel. If you haven't yet had that pleasure, let me begin by answering a very important question ...

### Who is Archie?

Archie describes himself as **the Dolphin aspect of Archangel Michael**. He appears to me as a huge dolphin being with a bright golden aura. (*From Linda: He's very handsome!*) I first met Archie in 2003, and a month later he began speaking through me. I soon discovered that Archie is the spokesdolphin for the Cetacean Spiritual Council that has guided Dolphin Heart World's service in the world since its inception in 1996.

## What Can I Expect From a [Journey of Discovery Session with Archie](#)?

Archie gave a channeled message to describe the nature and purpose of these new sessions. *Here are the key elements of his message:*

It is our desire in these sessions to produce:

- Genuine [change](#)
- Genuine [transformation](#)
- Genuine and [meaningful shifts](#) in your experience and in your life

### Tell me more!

- These sessions will be journeys of [discovery](#) and [empowerment](#). We are not primarily concerned with giving *answers*. A discovery that you make yourself is far more valuable to you than the same discovery as told to you by another.
- We will support you in learning a [new way of being](#) with regard to whatever issues you bring into the call. Sometimes there will be specific pieces of information; but more often there will be questions, discussion, guidance, and energetic practices I will guide you through. We will walk together toward new discoveries, new understandings, and new ways of being in the world.
- These sessions will also include direct [healing transmissions](#). Very often, we find that humans have specific blockages in their ability to access their own higher wisdom. We will seek to heal and remove these blockages. We will work directly with your energetic structure, to enable you to approach human life from a higher place, in a higher way. These healing transmissions will include Dolphin and Whale energies as well as other energies: trans-galactic, cosmic, holographic, and Source energies.

#### [From Linda:](#)

*Archie has helped me so much! My conversations with him feel profoundly intimate, and safe. I particularly remember times when I felt alone, unappreciated, or stuck or frustrated in some way. Archie didn't tell me what I [wanted](#) to hear. As all great teachers do, he told me what I [needed](#) to hear, with great love and compassion. Every single time, I experienced an instantaneous shift inside myself as his words, and frequencies, of Truth entered into my being. In a heartbeat, the self-pity dropped away, the victimhood dropped away. I was in my heart, my love, and my joy again, energized and excited about all that lay before me. I'm thrilled that David is taking this leap, and opening himself to make Archie's vast gifts available to the world. Thank you, David! Thank you, Archie!*

[Journey of Discovery Session with Archie](#) ~ approximately 1 ¼ hour ~ \$188. You will receive an MP3 audio recording of this session.

## How Do I Schedule a Session?

It's easy! Go to the [Services](#) page on our website, which will walk you through making your payment, scheduling your session, and downloading the [pre-session tip sheet](#). Please read the tip sheet before our session!

*Thank you for your interest in this Journey!* I look forward to sharing Archie's vast love, profound healing, and wise counsel with you soon.

In Dolphin Love and Joy!
